Robins Air Force Base Economic Impact Statement

Robins has \$3.54 billion economic impact on Georgia

R

obins Air Force Base contributes \$3.54 billion to the Georgia economy, according to the installation's latest economic impact statement. That represents a \$155 million growth over the previous year.

Published annually, the statement provides general information about the economic impact the installation has on the state of Georgia.

The report is also distributed to federal, state and local officials.

The fiscal 2020 statement sizes Robins' workforce at 23,405 – a figure that is made up of 14,912 appropriated fund civilians, 5,682 military members and 2,811 other employees.

The statement also says Robins doled out \$1.7 billion in salaries. The largest chunk of that money – \$1.25 billion – went to civilians working on base, while military members accounted for \$430 million. Non-federal civilians and contract employees accounted for just over \$14.8 million.

Additionally, the base awarded \$6.2 billion in contracts during fiscal 2020. Of that amount, the base awarded \$570 million to Georgia firms, with the lion's share – \$265 million – to firms in Cobb County.

The top five contractors in terms of contracts awarded were Boeing, Northrup Grumman, Lockheed Martin, Raytheon and General Atomics.

2020

ABOUT THE STATEMENT

The Economic Impact Statement provides information about the economic impact Robins Air Force Base has on the state of Georgia. It's made available to federal, state and local officials, business leaders and the general public. An installation's economic impact on the state is calculated by identifiable on- and off-base spending in the state from gross expenditures. All financial figures are rounded to the nearest dollar. This statement is for fiscal 2020. The report is based on data analyzed by the Air Force Sustainment Center Financial Management Operating Location at Robins.

AT A GLANCE

There are 23,405 total personnel at Robins Air Force Base, including 5,682 military members, 14,912 appropriated fund civilians and 2,811 employees who are funded by other sources. Robins has an annual federal payroll of \$1.7 billion and an annual expenditures of \$533 million. It also creates more than \$1.31 billion in jobs. Based on that data, Robins has a \$3.54 billion total annual economic impact on Georgia – a \$155 million increase from fiscal 2019.
